Sexy Stella has Italian roots, but has put them down in good old Blighty. So what does she love most about Britain? Is it the crap food, the drizzle, the crumbling transport system? "I like the people and the partying," she says after a moment pondering. "But most of I love your BBC," You mean Doctor Who, Antiques Roadshow, all that? "No, I mean I love the Big Beautiful Cocks all you Englishmen seem to have!"

Sex-Periment

Candy, my wife, has always fancied other girls. We watch porn together and she loves to play with her pussy as she watches the porno babes getting jiggy.

The other day she decided it was time her fantasy was fulfilled so she rang an ad in the paper which read, "experimental bi-babe seeks excitement away from husband". Later that

day, she met a busty girl called Sam for a drink.

They had a few glasses to calm their nerves and get to know each other.

Sam suggested they went to the toilet for "just a kiss," but when they locked themselves in a cubicle they found a kiss

wasn't enough.

The girls soon lifted their tops and rubbed their tits together, before rubbing each other between the legs.

At first they just felt each other through the material, but soon Candy was between Sam's legs and tonguing her silky cunt.

She loved the way this other woman tasted and tongued her deeply as she finger-fucked herself.

Candy soon came all over her own fingers, but Sam wasn't there yet and demanded Candy finish her off with her tongue before she let her go.

Candy obliged and a few seconds later another woman was cumming in her mouth.

Candy told me she loved having sex with another woman and would love to do it again.

Perhaps female Escort readers can help her with her problem!

Dave, Bradford.

Frigs in Digs

My husband is 15 years older than me and isn't up to fucking me as much as I want. This means I have to find the rest where I can get it!

A few years back, he inherited a big townhouse and we now let it out to students. Three lads are in there now and I keep finding excuses to pay them a visit! At 38 I'm twice as old as them!

The other week I went along, wearing tight jeans and a low-cut top. As one of the boys, Harry, let me in, I heard some frantic scuffling in the living room. I found them all sitting around, looking a bit red-faced. They seemed to

be watching some telly, but the empty case on the floor told me they'd just switched off a porno DVD.

"Don't mind me," I said, grabbing the remote and putting the film back on.

The boys blushed beetroot so I thought I'd really wind them up, sticking the remote down my top and telling James and Ashley – on the sofa – to bunch up so I could sit on the settee. "And I thought you were such nice boys," I teased them. Then I told them – lying through my teeth – that I'd never seen a porn film before and was curious.

Now they knew I wasn't bothered by the tape, they stopped feeling awkward and Harry offered me a beer.

I don't mess around – by the time he got back, I was snogging Ash, and James, feeling cheeky, had fished the remote out of my top and started groping my tits. I tore myself away from Ash and

beckoned Harry over.

I got him to stand in front of me, his firm young cock right in my face. I rubbed it over my cheeks, pursing my lips as it skimmed them, then took him in my mouth. I could tell from the way his

slathered them on my tits. Then, as James slapped his prick between them, I squeezed them hard around his shaft, milking it until he emptied his balls all over them.

It's not often I feel shagged

out, but I called it a day after a couple of hours. "Don't forget, if you want anything, just ring your Auntie Karen," I told them. "I'm glad you're not my auntie," said James. "I couldn't fuck you then."

Karen, Reading.

I SQUEEZED MY TITS HARD AROUND HIS SHAFT AND MILKED HIM TILL HE CAME

grabbed James by the ears, pulling his face in between my boobs. He grabbed hold of them and squeezed them hard, then pulled them out of my top so he could suck on my nipples.

"Don't just stand there," I said to Harry. "Kit off." He started fumbling off his clothes and the other two did the same. Now I had three gorgeous naked boys, already rock-hard, watching me as I undressed slowly and sexily.

I pointed at Ash. "On the floor," I said, and he lay down on the rug. Grabbing his cock, I guided it to my hole, taking it in down to his balls with one single thrust.

I rode him hard from the off, my tits bouncing around like mad until he reached up to grope them. Meanwhile, the other pair just gawped, until I

body stiffened in surprise that he'd never been deep-throated before, so I switched between sucking his helmet and then – when he wasn't expecting it – taking him in down to his balls again.

I knew it wouldn't take too much to get lads of 19 and 20 cumming their brains out and, sure enough, Harry was soon gritting his teeth, trying to hold back. I didn't let up and soon I took a load of fresh-tasting cum all over my tongue.

As I sloshed it around my mouth I snapped my fingers at James. "You liked my tits, didn't you?" I asked. He nodded, and I told him he was going to fuck them. Letting Ash slip out for a second, I scooped a load of juices from my cunt and

When most men his age (58) are thinking about pottering around the garden shed and how to pay for that care home that's looming, Ben Dover is growing old disgracefully, humping young honeys a third of his age in Television X's *The Old Fucker*. "Older people are having just as good sex as young people," he told us. "Maybe you've got divorced and want to play the field again, or just want to spice things up in the bedroom a bit!"

Little
bummer
girl

Dear Julia
Looking at all the ladies in vol 35 no 4 – talk about pussy galore! I've never wanked so much in all my life. I shot my load on virtually every girl. Cynthia on the drums, Lola, Pearl, Allie and Tiffany. Oh, and not forgetting Brook. I had to go to Urmston to buy another mag. Thank you girls! I would only say that I'd like to see more black and oriental girls in the magazine.
Paul, Partington.

Julia says: Glad you liked the issue. Sounds like you had a very pleasant drum solo!

Dear Julia
My darts team and I were chuffed to see the lovely Anastasia throwing arrows in *Escort* vol 35 no 3!

DEAR JULIA

We could do with someone like her on our team, if only to put the other team off. If she ever wants a game, she's welcome at the Thornton Heath darts league on Mondays!
Ben, Croydon.

Double
top

Julia says: Darts must be the only sport where the blokes have bigger tits than the promo girls. So we were pleased to discover Anastasia and her massive mammaries! I once got very excited when an old boyfriend told me he was browsing online looking for cheap flights. Turned out he meant for his darts!

Dear Julia
I adore redheads so seeing the lovely Lola Gatsby gracing your centre pages in *Escort* vol 35 no 4 was a real treat. Just one complaint – I would have preferred it if she had left her full ginger thatch on.
Gary, Kent.

REAL-WIFE SEX

Gemma, Cardiff

Gemma has a blooming good time with the flower delivery man

The other week a delivery man brought a bunch of flowers to my door. It was totally unexpected and no wonder – when I read the card it was obvious they'd gone to the wrong person. Sure enough, the bloke turned up, red-faced, asking could he have them back.

He was so apologetic I couldn't resist winding him up. "So if I hand them back over, what's in it for me?" I said. "My total gratitude," he said.

"You can do better than that," I said. I might have let it go sooner, but he was fucking gorgeous. "What's your name?" I asked. "Nick," he said. "And what time do you knock off work?" "F-fourish," he said. "Come straight here," I said, "and hopefully I'll have decided what to do with you."

The last thing I expected was for him to actually take me seriously and turn up

– hell, I'd have put on sexier undies. But there he was at 4.20. I'd have felt sorry for him but I was too busy fancying him up.

Poor sod still looked a bit awkward, though, so I sat him down with a can of beer. He went through two before I convinced him that no way would I have dropped him in the shit. "Don't let that stop you thanking me for it, though," I said. "If you really want to."

Cute though he was, he couldn't seem to believe a girl like me was gagging for him. I had to plonk myself down next to him on the couch and plant a big smacker on his mouth. But as my tongue slid in between his lips, he stretched out, pulling me on top of him.

I pressed and rubbed myself up against him, my tits squashing flat against his chest. Even through our clothes, I could feel how hard his prick

was getting, and I ground against it – I wanted it straining stiff by the time I got inside his pants.

He wanted inside my knickers, too, and now he wasn't shy about it. He didn't even go for my tits before his hand was up my skirt and inside my G-string, three fingers working against my slit. I breathed in sharply and wriggled against him as, one by one, he curled them so they dipped inside my hole, which was nicely juiced up from our snogging session.

It wasn't long before I had one of my own hands wrapped around his rigid prick, working the moisture at its tip all over his head and down the shaft. I sneaked a little taste, but he said, "Suck it later... I really just want to fuck you first."

I wriggled into position on top of him, as he pulled the soaking wet gusset of

SPRAY IT WITH

He went in so deep his swollen balls touched my arse cheeks

my knickers to one side. I rubbed his helmet against my clit then guided it inside my hole, squeezing with my muscles as it sank in. At last I felt the tip of it bump up against the top of my pussy, as his swollen, cum-filled balls touched the cheeks of my arse.

As I rode his prick he banged his crotch hard up and into me, grinding around before letting all but his helmet slip out. As I rose up, he'd pull back, so when he thrust back in he'd be slamming his entire shaft up my cunt. I got so wet that my fuck juices were pouring out, soaking his thick pubes.

"Okay," he said. "Let's switch positions." I stayed on top of him as he swivelled round, so he was

sitting on the couch and I was straddling his lap. Then, holding me carefully, he had me put my legs right up, so my feet were against his shoulders. He had me by the hips so his cock stayed inside me, but as he spread his legs wide, I arched right back between them, my head dangling over the edge of the seat.

I don't think he could have fucked me deeper, at least that's how it felt, and the dizzier I got the more intense it seemed. Every so often Nick would raise me back up to a sitting position, so the blood would rush to my head, then he'd let me back down again so I was seeing stars

even before the most incredible orgasm I've ever had in my life shot through me. I was leaning right back and just when I thought I couldn't cum any more, Nick would give my clit a rub and I'd go off again, spasming around his rock-hard dick.

I was almost ready to beg him for mercy when he stopped, pulling me upright so he could kiss me, his tongue probing around deep inside my mouth. Then he breathed into my ear, "Still want to do

**ARRIVAL
OF THE
FITTEST!**

We're fitness fanatics here at Raymond Towers – no, we've never seen the inside of a gym, we're just fanatical about the fittest women! And if you mean fittest in the Darwinian sense, i.e. most well adapted to the current environment, gorgeous Michaela (23) ticks the boxes there too. Can't you tell she's thriving in the pages of a gentleman's magazine, transfixed by horny readers' gazes, spreading her legs for your pleasure? Although, sorry Mr Darwin, Dawkins and all, we're tempted to believe there is a God when we gaze on natural beauties like this rampantly horny call centre worker from Hampshire.

7 year itch

One of our friends had split with his wife and my husband and I planned to cheer him up with drinks one night between Christmas

shirt and he started to run his hands up and down my back.

I slipped my vest top off to reveal my little tits and hard nipples. "See, I am not joking now, am I, now suck my nipples." Sean leaned forward and at last a bit of action. I

started to grind my shaved mound into Sean's

and New Year. I hadn't had a threesome for seven years and it was playing on both our minds!

Sean arrived as planned, we had a few drinks and the evening was going well. Sean was saying that everything was fine now after the split but said the only thing he was missing was the sex.

I thought that was my cue, and before I knew it I had blurted out: "We could all have a bit of fun, and I could maybe let you fuck me!"

Sean's chin just about hit the deck, and I think Andy was surprised that I was so upfront. I think Sean thought we were joking until I went up to him and straddled him.

need any more reassurance that I was only playing now, I

was very wet and needed my first threesome in seven years desperately.

Andy started playing with my nipples while I felt Sean slip a couple of fingers in my pussy and he started to work on my swollen clit.

Next, I slid a dildo up my pussy and put on a show for the two boys. I looked up and both men were wanking over my body and that sent me over the edge for my first orgasm. I came all over the vibrator and breathlessly asked the men who wanted to take me first and fill me with cum.

Andy started to fuck me. At the same time Sean offered his cock to my mouth to which I gave the best blow job he had had for a while. Andy knows how to fuck me and hit the spot and I told him that I was cumming again. I let go of Sean's cock and grabbed

I ASKED THE MEN WHICH ONE WANTED TO TAKE ME FIRST AND FILL MY PUSSY WITH HOT CUM

He looked at me then across to Andy as if asking: "Is this for real or are you taking the piss?" Andy looked at me, his loving wife, and told Sean: "Merry Christmas and I hope next year is better for you!"

I started to unbutton Sean's

lap and I could feel the tip of his hard cock poking through his jeans.

Sean looked back across at Andy with a huge smile on his face and Andy told him that he could whatever he wanted to

me. I looked at Sean and said, "Yes, anything you want!"

I then sat up on the dining room table facing Sean and opened my legs for his first view of my pussy. "Go on, lick me," I said. Sean did not

my husband and he shot his spunk in me as I wrapped my legs round him and I came again.

Andy withdrew his cock from me as I looked over at Sean. I asked him how he would like it. He asked if I could go on top. So I straddled Sean with a cum filled pussy.

I played with the tip of his cock with the entrance to my pussy, just to tease him that little bit further. "Do you want to fuck me?" I asked. I didn't wait for an answer and slipped all the way down his cock and my second one for the night.

I remember thinking, who is the lucky one here? Sean as he is ball deep inside me, Andy as he gets to watch his loving wife fuck someone else, or little old me having the full attention and being spoiled for the night?

Sean and I got up a good pace and his thighs were slapping against my arse cheeks as we went for it. I looked up at Andy and he was giving me a huge smile, and I thought I must be doing good.

I fucked Sean hard until the last second when I took his cock out of me and wanked it fast till he shot masses of hot thick spunk over my pussy.

Sean left after another drink, but sent a text to Andy the following morning to thank the two of us for putting a smile back on his face again.

EASTER PA-RUDE!

We came back from a crap Easter holiday with aged relatives and overdone lamb to find that juicy Lem had spent the weekend with young fun sexpots getting a porking. Bunny ears, booze, whipped cream, a lesbian threeway – what a weekend! You're really rubbing it in girls! "Ooh, we wish we could have rubbed it in – to your fat cock!" cooes cutie Candy. "And creamed all over your eggs!" pipes up blonde Pammie. We're certainly hot and cross we missed out! Maybe next year, girls!

SEX ADDICT

**MY HORNY
HOLIDAY
DOGGING
ORGY!**

Tiffany Snow thought she deserved a break in Cap d'Agde from the life of the UK's top call girl, but came back more exhausted than when she started... Well, there really is no rest for the wonderfully wicked!

reserve not far inland where I could find a sheltered area in the dunes and carry on lying naked in the sun all day.

I noticed a lot of the other nudists had the same idea as it was quite busy. I had just thrown my towel down and peeled off my pink micro-bikini to reveal myself fully to the sun when I heard the strangest bird-like sounds from the just over the dunes behind me.

Always keen to enjoy the "exotic wildlife" when abroad I thought I would go have a look. Coming up over the dune I was surprised to see about 20 naked guys standing around, their attention fixed on the source of the noise. Getting closer, I soon realised that rather than an exotic native bird, it was more like an erotic 30-something Swedish bird.

She was being fingered from behind while she wanked off two guys. She was making the strangest low moaning sounds rising to high-pitched shrill ones as her body quivered with pleasure.

She was a fit big-boobed MILF type, ash blonde hair, tanned and tall with sexy Nordic cheekbones.

She was definitely the kind of woman I like to play with and my exposed quim started to tingle instantly. I love watching other women

getting pleased: I love to catch their eye and see the naughty look of guilt at being exposed by another

blonde girl with no clothes on, had got the rest of the guys' attention almost as much as the Swedish woman who was now sucking on a cock while getting

fingered and felt up by two more guys while her husband took photos.

There's something so naughty and horny about other people having sex in front of me and the sight of lots of

I love to blow bubbles with the cum in my mouth and let it run down on to my cute tits

woman as a total slut.

What I didn't realise was that I was in a well-known dogging area and me, a young 21-year-old

naked men with stiff cocks that just triggers my pussy to get dripping wet.

The woman was with her husband and spotting me, they invited me over

On holiday I always seek out the nearest nudist beach. I love my exposed pussy getting hot and moist as I check out the other cocks, tits and pussies around me from behind my Gucci sunglasses.

If I start getting too horny I can cool off with a dip in the sea or have a quick play with my clit underwater without anyone knowing I am getting myself off just metres from them.

On this last occasion, I had quite the firm tanned body by day six and the non-tanned bits were only visible if you pulled my pussy lips apart, which I often did when applying lotion just to tease other younger guys passing near me!

On day seven a strong wind was causing me to get sand-blasted on the beach front. Fortunately there was a nature

to join in. I didn't need asking twice and I was soon on my knees helping her suck off more hard cocks while getting felt up from all over in a bit of a free-for all.

Not surprisingly, with both of us working those cocks we soon started getting hot loads of cum shot on to us. I love cum in my mouth, I love to blow bubbles with it and then let it run down my chin on to my cute tits.

I also love to share it so when I got my first load in my mouth I was soon deep French cum kissing the sexy Swedish MILF who was now getting fucked from behind by her husband.

This just caused a frenzy and set off more guys shooting their loads over the hard-core sex action and it was soon splashing all over our faces and big thick wads of it were running down on to our tits.

I was in heaven rubbing cum in to her big round boobs as it made them all shiny and sticky and when I sucked on them they tasted of warm fresh cum.

My pussy was pulsing at this point and the guys had gathered around us even closer. I put my hands on the ground and my

arse up in the air so I could be rimmed by a hot Spanish guy. I nodded when he indicated he would like to fuck me so I was soon getting pounded doggy style while the other guys crowded around me.

When I lifted my hands up again to grab a couple of the nearest cocks I realised my sand covered hands had now covered their dicks and I ended up taking a mouthful of sandy cock which caused a few laughs as I spat it out while still getting fucked.

Fortunately the couple had wet wipes so I was soon cleaned up and able to get back in to sucking those cocks while having my pussy pounded.

I spent a good hour fucking and sucking those guys and then spent the rest of the day sunbathing with the couple and playing with her more intimately. What a great day – I'm so lucky things like this always seem to happen to me!

Silky, supple, sensual, seductive – and that's not just the Burgundy this wine buff (in the buff) is gurgling down. It's the girl herself. "Wine is the greatest aphrodisiac," muses Hannah (31). "Sex isn't sex without a glass of classy red by the bedside. I do crazy erotic things when I'm on the grape. I have a move I call the corkscrew where I rotate my arsehole on my boyfriend's cock." And the wine you most look forward to tonight. "That'll be one of my boyfriend's mates' – a Penis Noir!"

One for the ladies

She started tearing at her clothing, her hands shaking, and as she unhooked her bra I pulled her tits free and started to suckle on her nipples.

but it was Lisa who was really getting me there. I finally came, my whole body shuddering, and I got a tiny "aftershock" when Lisa moved up to give me a kiss, her face shining with my wetness.

We decided to go upstairs and I asked her if she had any sex toys. I picked out a foot-long hand-dildo, made from black rubber but shaped like a real cock.

I got her to crouch in the doggy position, gave her a couple of licks, then sank the dildo deep

CONTACT ME

Let's just say the drinks were on the house for Lisa soon after we met. She was a married regular but whenever she came in without her husband, she'd stand propping up the bar and chatting. One quiet night, after a couple of girlie cocktails I'd mixed for the fun of it, she spun a bottle on the bar then asked me: "Truth – have you ever had sex with another woman?"

"That blatant, am I?" I asked, and she just nodded.

At closing time she hung around and asked did I want to share her cab. "As long as we're going back to yours," I said.

When we got to Lisa's place we just melted into a kiss in the middle of her lounge. I parted my lips and felt her tongue slip inside. That first snog was slow and gentle but as I felt the hot juices well up in my pussy, I started kissing her more frantically, nuzzling

She got me to lie down on the settee, hooking her fingers into my knickers and peeling them off my moist cunt. Then she parted my thighs and buried her face between them, flicking her tongue over my excited, swollen labia.

She seemed a little bit nervous but that didn't matter

I FINALLY CAME AS SHE KISSED ME, HER FACE SHINING WITH MY WETNESS

– I was so fucking horny there was no such thing as a wrong move.

She skimmed her

tongue along my juicy slit, flicking it from side to side. Then she focused on my clitoris, tapping at it then sucking it into her mouth, mumbling her lips against it.

As she went down on me I was running my hands all over my naked body, teasing myself even closer to orgasm,

strumming frantically on her clit with her fingers, then she slumped forward, her limbs twitching as her orgasm rocked through her entire body.

I haven't seen Lisa since our night of sex and I hope she doesn't see it as a one off.

ONE IN THE CLINK...

This is one prisoner you're unlikely to hear complain: "I hate screws!" Kacie James, spending the night at the pleasure of Her Majesty (Julia Jones), has been ticking off on the wall the amount of screws she thinks she's missed out on since her incarceration at minimum-security Raymond Towers. "I can do my porridge, you bastards," she shouted through the bars. "But I'd rather you did your porridge all over my boobs and up my pussy!" Steady on, Kacie. If you carry on like that, we'll have to send you to the hole. "Now that's what I like to hear! Where is she?"

REAL WIFE SEX

Gemma's story continued from page 19

that to my prick?"

He hadn't yet cum, and I was dying for a taste of him, but he wasn't getting it easy. "Excuse me," I whispered. "But who fucked up? Who owed who an apology?" "Fair enough," he said, and manoeuvred us into a sixty-nine, with me on top. Just when I'd thought my pussy couldn't take another second of his attentions, there it was, splayed over his mouth, his tongue buried deep inside its swollen walls.

And his prick was right in my face, wet and sticky with my juices. I started by giving the tip of it a little suck, tasting his saltiness as well as myself on it, then, without any warning, I just went right down on him. I've never met a bloke, Nick included, who wasn't stopped in his tracks by a deep throat. I heard him moan as he rammed his tongue down to the root inside me.

He loved it – too bad I had to breathe, but a good, hard sucking on the helmet seemed to do it for him too. I swirled my tongue around his veins and ridges, dipping the very tip of it into his love eye to tease out more

pre-cum. I had one hand around his length, wanking him against my tongue, while the other cradled his balls, rolling them gently against each other in his sack.

I knew when he was going to cum – his cock was twitching against my tongue and his balls were bunching up in my hand. I delayed him a couple of times, pulling on them gently, until it seemed he couldn't take any more. "I want to cum on your tits," he groaned – again forgetting why he was there – but he didn't seem too pissed off when I totally ignored him and took every

drop of his thick white load down my throat. I was still smacking my lips when I turned around to plant another kiss on his juice-soaked mouth.

"All right, you're forgiven," I teased him. "So long as you come around again sometime!"

"My husband doesn't let me go out much, the controlling arsehole, so now I've managed to get an afternoon with the girls, I've decided to tie on a shoot with Escort as well!" We can understand why he might not want to let you out, Danni, but surely a man has a duty not to hide his light under a bushel – especially when you're as sexy as fuck! "I hope he spots me in your pages and has a fit!" He will when he knows what you got up to with the lighting boy, Danni!

Naughty winks

I work at an all-night garage and sometimes I do the graveyard shift, which is okay, though it can get bloody boring. When I don't have any customers for ages, I find my mind starts to wander, usually to sex. Sometimes, I'll even sneak my hand inside my knickers and give myself a quick frig!

The other day, just after the person taking over from me turned up, Sean, a neighbour of mine, pulled in to get some petrol and a pint of milk. "Mind if I bum a lift home?" I asked. "Sure," he replied with a grin.

While we were driving along, he said he always had to watch a couple of hours of telly before he could get to sleep. "There's quicker ways to wind down," I said.

When we got to our street he asked me in for a cuppa. "Maybe that'll help you wind down," he smirked. We sat in front of the TV to

drink it, and I couldn't help but think how sexy he looked.

"Do you want to see how I wind down?" I said. He just gazed at me as I undid my skirt and let it drop to the floor, and then stuck my hand down the front of my knickers and started frigging away at my clit.

"Okay," said Sean.

"Now that you've showed me, I'll give it a go." Then he grabbed my hand and pulled it free of my twat, before putting his own hand in my knickers.

I unzipped his flies before giving his cock a good pumping with my hand.

As pre-cum began to seep out of the end, I nuzzled my way down and kissed the end of it, licking the salty drops off my lips before taking him right into my mouth.

Sean just laid back and enjoyed it for a couple of

minutes, then went back to fingering my pussy again. But just as I was really getting into it, he pulled his fingers back out and eased two of them, sopping with my juices, up my arse.

He took it slowly and gently, making sure my ass was well lubed up with my own juices as I sucked on his prick. Soon he was fucking me with his fingers, but I wanted more. His cock felt so big, hard and juicy

Fearless fuck

This is how I met my girlfriend Jacqui. I was at Gatwick and this girl was so scared of flying she was smoking and drinking like a trooper in the pub there.

I didn't know how she was going to get on a plane, however drunk she got – every time they announced a flight, any flight, she kept grabbing my arm, terrified

it was hers. "It's okay," I said, trying to soothe her by stroking her hair. Absent-mindedly I dropped a kiss on the top of her head. She tilted her face up, looked me

so fuckable lying on the cold white tiles, with her skirt hiked up around her waist to expose black stockings and suspenders.

"This doesn't mean anything," she said. "It's just to take my mind

wank it, telling me to get in between her legs. Then she started rubbing it all over her mound – her short pubes tickled like anything against the underside of my head – and played it up and down her juicy slit.

"You want it now?" I asked.

SHE RUBBED MY COCK ALL OVER HER MOUND AND JUICY SLIT

right in the eye and started snogging me. It must calm her nerves, I thought.

As she found my crotch I broke the kiss and whispered in her ear that we'd better go somewhere a bit more discreet. "Okay, give me a couple of minutes and then follow me into the loo," she said. Whatever you say, I thought.

She beckoned from a cubicle – the biggest, with plenty of room for us to stretch out on the floor. She looked

off that fucking plane."

I'd already decided to lick her halfway to cumming before we fucked, and her tight-moist pussy looked perfect for a tonguing, but she just wanted to cut to the main event. Her hand still shaking, she pulled my cock out of my pants and started to

HE SAID HE WANTED TO SEE MY FACE WHILE HE FUCKED MY ARSE

"I'm fucking your arsehole," he said. Then he slowly edged his cock up my arse. He just stirred it around at first, getting me used to the size of it stretching my hole. Then he started screwing me as hard and deep as he'd have fucked my pussy. I don't know if he kept watching my face – I just shut my eyes and thought about what I was feeling. And what I finally felt was a hot, orgasmic spurt as his jizz shot out deep inside my bum. Beats sleeping!

body shuddering and arching under me. I got so caught up in her orgasm I didn't even try to hold back, and the way her twat was tensing and rippling around my shaft soon took me beyond that point. I groaned then slammed my hips forward, burying my prick inside her juicing hole as my balls bunched up and

She groaned and rolled her eyes – stupid question, really.

"That's it... nice and deep..." she groaned, spreading her legs as wide as she could and raising them up in the air, so my cock penetrated her as deep as it would go. As I ground in, I suddenly felt her inner muscles clench around my prick. Then I felt her

emptied their entire load inside her.

Just as I tried to pull out of her she clasped her legs around my back, rubbing her clit against my crotch and bringing herself to another orgasm. .

We ended up on the same flight and spending time together at the resort. The rest is history!

Bottom feeder

My fella has always been interested in my arse when fucking me and will often fill it with one, then two, fingers as he canes my pussy.

Sometimes he will tease it

anticipation surging through me. All of a sudden I felt his rock-hard knob thrusting into my cunt, slipping in so fast it took my breath away. He spat down my arse crack and teased the entrance to my arse with his fingers. One went up, then two, three... "Give it to me," I begged. So he pulled out of my cunt, his cock dripping with my sticky stuff and rammed it up my bum.

I squealed with pleasure. "Fill me more!" I demanded, giggling at the dildo on the bed.

So with his huge stiff cock still buried in my arse, he poked the dildo into my cunt, pulled my head back and stuffed his tongue

with his tongue, driving me crazy and making my cunt loose, hot and wet.

One day I was feeling so horny and chose my favourite

deep into my mouth.

That was the best orgasm I've ever experienced!

dildo to join him for a feast of arse-fucking.

It began with his tongue moving from out of my mouth, down my face, down my body, stopping only to gently bite my nipples on the way down.

I was laid on my back, legs spread and as he reached my inner thigh cunt juice was dribbling down my leg.

"Turn over," he said.

"Show me your arse."

So I got on all fours, aching for what I knew he was going to do.

"I want to take pictures of your arse before I fuck it," he said. "Then I'm going to give you what you deserve and photograph it afterwards."

The idea excited me even further, fulfilling my fantasy of exposure.

He pulled my knickers to one side and took a picture. I pulled my cheeks apart for him, exposing my sopping cunt and sending a thrill of
